

No Compromises

There's no compromises with Wouxun's KG-UVN1 Dual Band DMR Digital Two Way HT radio!

Whether you're looking to run DMR or analog, the KG-UVN1 has you covered. It's feature-packed with all the benefits of a high-end Digital Mobile Radio that also keeps your analog connections -- all in one portable handheld transceiver!

The Wouxun KG-UVN1 works with other makes and models of DMR radios with both Tier I & II compatibility -- as well as compatibility with existing analog systems on the supported UHF and VHF Amateur Radio bands.

Add to that 3072 channels, 250 zones, and a whopping 160,000 contacts -- and the full radioid.net contact database is preloaded! The KG-UVN1 has CTCSS/DCS, digital encryption, channel scan, group scan and text messaging. It also features VOX, a full DTMF keypad, programmable multi-function side keys, and much, much more.

The KG-UVN1 offers high-end functionality throughout, including independent programming in VFO and channel modes, Private Call, Group Call, All Call, ARTS function, tail elimination, menu encryption, menu hide, and stun/kill/activate options. Plus, it has solid, rugged construction that puts it in the same league as commercial class radios for performance, reliability and durability.
